This kit allows you to wear the HONEYWELL DOLPHIN CT40 PDA on your wrist

It is composed of the following items :

- a protective cover made of high wear-resistant synthetic material, with a quick fastening clip on the no-finger glove ([SA-CLIP1-HONCT40](#)) ;
- a terminal (in the cover) holding no-finger glove on the left wrist, with fixing clip ([SA-WRISTBAND3](#)).

For hands-free use of your HONEYWELL DOLPHIN CT40, please find in our catalog the [SA-TRIGGER-BT1](#) trigger ring which is a Bluetooth® barcode reader trigger.

A kit including protective cover + custom glove + trigger ring is available under the reference [SK-HONCT40-KIT2](#).
